ALFOUAD
Automotive Spare Parts

ALFOUAD

Body Panels and Headlights

In 1974 Mr. Fouad El-Kachouti founded Al FOUAD in Alexandria Egypt as an import and export for automotive spare parts. 1999 was the launching of the manufacturing era for Al Fouad, where the first manufacturing plant was established in Alexandria free zone to produce automotive protection panels. In 2005, a new manufacturing plant was founded for the production of Headlights and Glass lenses. Later in 2007 a new factory was established to produce automotive body panels.

Al Fouad is considered one of the leading manufacturing plants in Egypt for fabricating automotive spare parts. The complete manufacturing cycle of a product is accomplished under Al Fouad roof, starting of with fabricating the required mold tool to the production of the final product. Al Fouad has an annual production capacity of 1 million product that ranges from Headlights, Glass lenses, Fog headlights, protection panels, vehicle body. The company is always seeking new market shares both locally and internationally.

Mould Process:

Our headlights are manufactured using high quality raw materials, combined with the use of modern technology such as CAD/ CAM system, our own tooling shop, CNC machining center, injection molding machines, electrostatic painting shops, metalizing vacuum coating.
We can offer around 10 products per year.

CNC workshop has a wide range of non-conventional machines like milling and EDM M/Cs. It used to manufacture our tooling unites with high quality of machining. In addition to a fully equipped conventional work shop including different types of conventional cutting machines.

- Okuma Milling Machine
- Wire Cut Machine
- Tools Assembly Unit
- Spark Machine
- High Quality Standard Tools

A fully equipped conventional work shop including different types of conventional cutting machines.

Quality Management System

- Quality is not incidental , but a result of our conscious efforts .
- Our quality approach is achieving maximum customer Satisfaction and exceeding their expectations .
- Our quality management system is complying with the international system :
  - ISO 9001 – 2015
  - OHSAS 18001 – 2007
  - ISO 14001 – 2015
- This to insure Our Customer Satisfaction and improve system performance and continuous Improvement .
